

Credit, Debit, HSA, FSA Card on File Policy

At Zygmont Chiropractic Center, we require keeping your credit, debit, HSA, or FSA card on file as a convenient method of payment for all services, products, and cancellation fees as of January 1, 2019. \$50 fee applies when Zygmont Chiropractic has not been given a 24 hour notice of the cancellation or rescheduling of an appointment. Please give us this notice so that your time slot can be offered to another patient.

Our credit/ debit card transaction company is Rectangle Health Payment Gateway, or Retriever. Retriever is a compliant service provider that stores the credit card information on a separate, secure site while enabling us to run credit card transactions within our system. Office personnel will not have access to your card. Your account information will be imputed straight into Retriever and then shredded. You may use whatever payment you choose at the time of service.

After reading the above stated information, I authorize placing my credit, debit, HSA, or FSA card on file with Rectangle Health Payment Gateway to be run by Zygmont Chiropractic Center for any of the above stated purposes.

This authorization will remain in effect until I cancel this authorization. To cancel, I must give a 60 day notification to Zygmont Chiropractic Center in writing, and the account must be in good standing.
